

## FRANKLINVILLE CENTRAL SCHOOL

January/February 2025

## FROM THE DESK OF THE SUPERINTENDENT

Governor Hochul took a proactive step last year by enlisting the Rockefeller Institute to conduct an in-depth review of our education funding formula. The goal? Enhancing our education system and ensuring it meets the needs of every student! After a thorough research process, the Institute shared its insightful recommendations in December, paving the way for exciting changes.

In light of these recommendations, the Board of Education is gearing up to create a strategic and sustainable budget for the 2025-2026 school year in the coming months. They are engaging in productive discussions about the potential for sharing services with neighboring school districts, such as the shared superintendent position, which has helped increase collaboration between districts and created opportunities to enrich our students' educational journeys. This initiative ensures our students receive a well-rounded education tailored to their diverse needs.

The upcoming budget will address immediate priorities and strategically align with the district's long-term goals. With careful planning, the Board is committed to maintaining and elevating the high-quality education and opportunities that all our students deserve.

With Franklinville Pride,  
Superintendent  
Donald Putnam

## Congratulations Master Teachers!

Mrs. Jordan

Franklinville Central School is thrilled to announce that Mrs. Jessica Jordan and Mrs. Dawn Wardner have been selected for the prestigious New York State Master Teacher Program. This honor recognizes their exceptional dedication to education and commitment to professional growth.

A dedicated educator with 21 years of experience at FCS, Mrs. Jordan currently teaches Earth Science in the high school. Her passion for teaching, deep knowledge of her subject, and commitment to her students, their families, and our community have earned her this well-deserved recognition.

Mrs. Wardner

A teacher at FCS for the past eight years, Mrs. Wardner currently teaches Broadcasting, Algebra, and Geometry. She has been a trailblazer in launching the student-led video morning announcements and actively supports students outside the classroom. Mrs. Wardner exemplifies leadership and care in every role she takes on.

The NYS Master Teacher Program is a prestigious professional network of K-12 educators who demonstrate excellence in their content area and a commitment to continuous growth. We couldn't be prouder of Mrs. Jordan's and Mrs. Wardner's achievement!

## FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, Middle/High School Principal

### Happy New Year from Ten Broeck Academy!

As we step into 2025, I want to extend my warmest wishes to the wonderful people of our Franklinville community. May this New Year bring happiness, good health, and success to all!

One of the many reasons why our small community shines is the unwavering dedication of our parents, guardians, and community members. Your support truly makes a difference in the lives of our students and enhances our school environment.

At Ten Broeck Academy, we are committed to being a resource for families who may need assistance. Whether it's hats, gloves, and coats for the winter months or resources for our food pantry and clothing closets, we are here to help. We also offer counseling services and other support. If you find yourself in need, please don't hesitate to reach out. Just a call can connect you with the resources you require.

Attendance is a pivotal part of academic success. Research shows that consistent school attendance is crucial for students to keep up with their peers and to graduate on time. If you're facing challenges in getting your child to school, we want to partner with you. Contact me to discuss any barriers you're experiencing so we can brainstorm strategies to motivate your child and help them thrive.

As we begin the New Year, we will continue our Character Counts journey by focusing on our January theme, "Own It," which emphasizes taking responsibility. In February, we will shift our focus to the theme of "Real Love," which highlights the importance of caring for one another.

Our first quarter academic and skills championship concluded with the following results: the seniors from the Class of 2025 received the bronze medal, the 6th graders from the Class of 2031 received the silver medal, and the 8th graders from the Class of 2029 received the gold medal!

### Important Dates for January & February:

## FROM THE GUIDANCE OFFICE

### Dear TBA Families:

I hope everyone had a great holiday season. I have enjoyed working with the senior class while learning more about what everyone is interested in pursuing after high school. Many students have been accepted to college, while others are preparing to enter the workforce and military. All college-bound students must submit the FAFSA application. Students attending a college in NYS should submit the NYS TAP application as well. Please let me know if you need any help moving forward.

Scholarships are available to all seniors and can be found on our website as well as in the Counseling Center. I will help students apply for the Franklinville Graduation Awards and the Cattaraugus Region Community Foundation Scholarships in class. Seniors need to submit a copy of their resume, college acceptance letters and two letters of recommendation (can be submitted by the person writing the letter).

They also need to complete 12 hours of community service.

On November 7th, Sophomores, Juniors and Seniors took a field trip to Alfred State to tour the campus and learn more about the programs and opportunities they offer. We will continue to host college visits and will be setting up more campus tours.

On December 9th, the sophomore class took a tour of the Ellicottville CTE Center to learn more about the programs they offer for junior and senior year.

I am in the process of meeting with the Freshman, Sophomore and Junior classes to review their year, work on post-secondary readiness activities, as well as schedule their classes for next year.

**Congratulations to the following Juniors who took the PSAT in October! You all did a great job!**

Grant Cornell, Lainey Dunlap, Patrick Freedman, James Goff, Jackson Hatch, Maria Jordan, Seirra Lovell and Peyton Mest

**Congratulations to the following Seniors who took the SAT in October! You all did a great job!**

Norra Ainsworth, Bretton Blecha, Gannon Callahan, Alyssa France, Ana Hillman, Braeden Kent and Kaleb Manzo

The counseling department is enjoying working with our middle school students in Advisement this year. We are focusing on this year's character initiative, "Victorious." Students are also developing social-emotional awareness and skills through John Wooden's Pyramid of Success and Sean Covey's, "The 7 Habits of Highly Effective Teens."

### Important dates to remember:

- **January Regents:** January 21st - 24th
- **ASVAB test for Juniors:** March 12th

## ELEMENTARY PRINCIPAL'S CORNER

By: Melissa Martin, Elementary Principal

The fall at FCS Elementary School was full of fun activities. We celebrated Halloween with class

parties and a parade around our track. Seeing so many parents attend and watch all the great costumes parade around was great. The School Improvement team is working on promoting reading this year. For the month of November, we

had Teacher Swap Fridays. Teachers read picture books in classes other than their own.

The Elementary school also launched a new Character Education Program this year, in conjunction with our new Second Step SEL program. We are excited to celebrate our students who are exemplifying these character traits by inviting their families to come and have breakfast with them.

We have hosted three successful breakfast celebrations this year.

Many of our classes have also gone on field trips this fall. Our Kindergarteners and First graders went to Pumpkinville. The fourth graders went to Lockport Locks and learned about the Erie Canal. Because the fifth graders study corn, they took a trip to Edelweiss Farm and learned how corn is processed and used.

**C**hristmas Spirit 2024 was a great success! We extend our heartfelt thanks to all the donors who helped make the holiday season a little brighter for over 140 children in our district. This accomplishment would not have been possible without the generous contributions received throughout the year. We also want to thank all the volunteers who shopped, organized, wrapped, and delivered over 500 gifts! Thank you all!

## FCS SPORTS UPDATE

By: Allan Dunlap, Athletic Director

The Fall sports season of 2024-2025 has been incredibly successful for our teams here at Franklinville, and we have so much to celebrate regarding our student-athletes and their accomplishments. Every team qualified for the NYSPHSAA Scholar-Athlete Award, with at least 75% of their rosters achieving an academic average of 90 or above. Many of our student-athletes received nominations for the All WNY Scholar Athlete Awards, and numerous individuals were honored as league or division all-stars. Our Rizzos Athlete of the Week program showcased our talented athletes and their achievements weekly, with Rizzos generously providing each winner with a complimentary sub sandwich and drink. This program will continue into the winter season.

The Titan football team made impressive strides, competing in the sectional championship game at Highmark Stadium. The future looks bright, as our modified and junior varsity football teams also had

strong seasons. Our cheerleading squads showcased their skills as well, participating in sectional championships and proudly representing Franklinville. Notably, the modified cheerleading team competed for the first time this year, returning with multiple competition victories.

The girls' soccer teams made significant improvements from the previous year and are eager to continue their progress next season. Our modified boys' soccer team once again joined forces with Ellicottville, with all our athletes making substantial contributions. Our partnership with West Valley in volleyball was also a resounding success, with growing numbers suggesting an even stronger season ahead.

The Titan cross country team wrapped up their very successful season by competing at sectionals, with many runners achieving personal best times. Grant Cornell again qualified to represent Franklinville and Section 6 at the NYS cross country championship meet at Queensbury High School.

This year has been very successful for the

return of our girls' swimming program to Franklinville. It was wonderful to see our student-athletes competing in our pool.

As winter approaches, we look forward to celebrating and supporting our kids, whose dedication and passion inspire us all.

Many community members have inquired about the plans for sports banquets this year. We've received valuable feedback regarding the format of our end-of-season events, and we're implementing changes this year. After each season, modified and junior varsity coaches can host a celebratory pizza party at school, where they can distribute certificates. The varsity teams will be honored at a formal dinner and award ceremony at the end of the school year. The school will cover the entry fee for varsity athletes, while others attending must purchase an entry ticket. Additional information will be shared as we approach the end of the year.

Thank you to the community for your unwavering support. We invite you to come out, cheer on our incredible kids, and root for our teams. Go Panthers!

### BOYS VARSITY SWIM TEAM

*Coach Landow*

The Franklinville Boys Varsity Swim Team is a combined sport with Olean, Allegany and Portville. Because of this, we are currently swimming with other Class A schools and standards moving up from Class B last year. As a whole, we are looking forward to another successful season with several returning veterans. Franklinville contributes to the overall success with the following individuals: Nicholas Hillman (Senior), Sean Howard (Junior), Johnson Li (Sophomore) and Evan Breton (Freshman). Nick specializes in the backstroke, butterfly, and freestyle but is capable of providing depth in any stroke. Sean brings power to our freestyle events and is versatile enough to swim anywhere. Johnson Li provides us with one of the team's few breaststrokes and leads the charge with his sprinting freestyle capabilities. Evan has flipped from manager side to competitor this season. We are looking forward to his continued development in all strokes while busting some career PR's this season. Behind the scenes, we couldn't run without our managers. Kayci Landow (Freshman) is in her 4th year of managing for the Franklinville boys. She is joined this year by Lillian Owens (Sophomore) and Landon Agett (6th grade). As always, thank you to Daniel Brown (HC Olean) and Ben Wright (Asst. Olean) for providing the support, comradery, and experience – helping make it an enjoyable, successful season. Our first meet is the week of December 9th. Swim Fast, Swim Hard and Leave it all in the Pool!!!!

*"If you say can't, you are restricting what you can do or ever will do." –Michael Phelps*

### TBA MODIFIED WRESTLING

*Coach Palmatier*

We are excited to begin another year of modified wrestling especially with the addition of wrestlers from West Valley and Hinsdale. We have had two multi-dual meets so far and have competed very well. Unfortunately, the weather did not cooperate, and we were forced to cancel our home match. Hopefully, however, we will be able to reschedule it and see our fans pack the stands. Those of you who are fans of wrestling know how exciting the sport is and if you have never been to a match, we encourage you to come and watch. You will not be disappointed. This year's team consists of Ayce Caswell, Archer Clarkson, Destiny Diamantes, Ryley Foster, Gauge Jochen, Carter Nesbit, Evan Nesbit, Levi Peterson, and Luciano Varno.

# FCS SPORTS UPDATE

## VARSITY BOYS BASKETBALL

*Coach Shenk*

The Varsity Boys Basketball team is looking forward to an exciting 2024-25 season! The boys are involved in three tournaments this season, the Pioneer Motorsports Tip-Off Tournament held at Pioneer Central School on December 6th and 7th with Springville, Holland, and Pioneer, Westfield's Winter Classic Tournament on the 27th and 28th of December with Gowanda, North Collins, and Westfield, and our own Rick Hughes Memorial Christmas Tournament held right here at TBA December 10th through the 14th along with Portville, Brocton, and Sherman. We are very excited to have expanded the tournament this year to include JV teams! This is due to the tremendous support and generous donations of the community, local businesses, and Alumni; we cannot thank you all enough! We are once again in the CCAA East 2 for league games against Cattaraugus-Little Valley, Ellicottville, Forestville, North Collins, Pine Valley, and West Valley. Rounding out our schedule is a home and away game with Fillmore. Returning from last year's CCAA East 2 league championship team are Seniors Bretton Blecha, Blake Green, Austin Higgins, Collin Mooney, Matthew Spittler, and Isaac Towne, and Juniors Grant Cornell and Eli Shenk. All eight boys played very large roles in last year's campaign with Bretton and Matthew both receiving League All-Star nominations. New to the team this season are Juniors Trevin Lane and Damien Cole along with Sophomore Brady Tatlow. We are very excited about the athleticism and depth these boys add to the team. We will look to be competitive in our league and in Class C Sectional play. You can always look to <https://highschoolsportstats.com> for our most up to date schedule, game results, and game stats. All home games will be live streamed through our Hudl fan site at <https://fan.hudl.com> and search Franklinville. I believe there is also a link on the school's homepage. Thank you all for your continued support of our school and basketball programs.

\* League Game

## JV BOYS BASKETBALL

*Coach Tatlow*

The JV Boys basketball team is excited to get our season underway. We are looking forward to competing in three tournaments in December. This will provide a great opportunity to work on our team chemistry and basketball skills before league play starts after the December break. This year's team is led by returning players Mason Blecha (sophomore) and Oliver Shenk (8th grade). They will look to use their experience at the JV level to bring the new players up to speed. The players on this year's JV Boys basketball team are (sophomore) Maxx Goss, Daniel Amoros Serrano, and Reiley Freer, (freshman) Jason Torpey, Ethan Learn, Jaiden Russell, Carson Learn, and Landon Jankowiak, (8th grade) Kellen Hatch. We hope that you can make it out to a game this season and support these student athletes.

## VARSITY GIRLS BASKETBALL

*Coach Kuhn*

Franklinville Lady Panthers Varsity Basketball is ready for the 2024-2025 season to get started. We have been working hard to prepare for our challenging schedule and can't wait to play. We are definitely feeling the loss of our 2024 seniors, but we know they are doing great things where they are. We have three seniors this year in Hailey Rzucek, Abbigale Chase, and Gabby Goss, and they are ready to lead. We have three juniors

Mckenzie Chase, Trinity Herman, and Aliah Range. Our sophomore class consists of Taylor Chase and Alayna Spittler. We then have one freshman in Mya Sullivan and our youngest, 8th grader Grace Cornell. As always we appreciate your support and love having you cheering us on in the stands or at home! Thank you so much for all the love and support you have shown us throughout the years. Go Lady Panthers!

## JV GIRLS BASKETBALL

*Coach Jennings*

The Girl's JV basketball season is underway. Our team consists of six returners: Sophomores Danica Hopkins, Sarah Lewis, Taylor Fox, and Alexis Keller, as well as Freshmen Addison Chamberlain and Eva Green. Newcomers include Sophomore Carlie Aultman, Freshmen Kalina Gonzales, and Jeorgia McLaughlin, 8th grader Abria Benjamin, and 7th grader Lia Green.

They have all been working hard this season to expand on their skills. At the time of this article, we have participated in one game against Chautauqua Lake in a Tournament. We unfortunately lost to Chautauqua Lake by 3 points, but it was a close one throughout the whole game. Abria Benjamin was the high scorer with 8 points. Due to weather could not finish the tournament.

I am excited to watch the girls continue to grow stronger and expand their skills. As always, we thank you for the support and encouragement and would love to see you at our games! Find our schedule online at: [www.arbiterlive.com](http://www.arbiterlive.com). Go Lady Panthers!

## MODIFIED GIRLS BASKETBALL

*Coach Spear*

The Modified Girls basketball team had a great season. The eleven girls learned about basketball and character. We had one team of two seventh graders and nine eighth graders. We play in a tough league that is geographically organized instead of size organized. All but one team are larger schools, some much larger. The girls play with great heart and enthusiasm. They are fun to watch. We also learned John Wooden's Pyramid of Success. Twenty-five character traits that lead to competitive greatness. The cornerstones of industriousness, hard work, and enthusiasm, enjoying what you are doing were stressed at each practice and game. I am grateful for the elementary feeder program that is preparing the girls for this next level of play. Franklinville's Girls basketball program has some really great young ladies moving up the ranks.

## JV/VARSITY WRESTLING

*Coach Smith*

When I was in Albany for the NYSPHSAA Wrestling Championships last year coaching Evan Leonard (graduate) as a first year Head Coach of a rebuilding program...I knew there was something special coming for the Town of Franklinville.

Wrestling has an established history in Franklinville and has seen many great wrestlers & teams pass through the hallways at Ten Broeck Academy. In recent years, there wasn't really much that got this community excited again when coming out to watch a wrestling match. The town stopped showing up. The kids stopped signing up. And suddenly the wrestling identity faded into a slumber.

But I believe that last year's season was a pivot towards a brighter future. Last year we saw 7 Seniors graduate and they all made it their personal mission to grow the program that they were leaving behind. These young men became the foundational building blocks that set up this season's possibilities. Each one of them strived to "Be the best version of themselves in the classroom, on the wrestling mat, & in their community" (a popular slogan often vocalized in practice every day).

With a great showing at our 1st Annual Summer Ten Broeck Wrestling Academy, we saw the appearance of these graduates and other wrestlers returning from the 2023-2024 season. They brought with them their friends & teammates from other various sports that were interested in giving wrestling a try. This group of young men from last season are more determined than ever to be a part of something bigger than themselves. They want to all build back up their wrestling program that they grew up hearing stories about from their Grandpas, Dads, & Uncles. In the Town of Franklinville,

you can throw a stone and hit somebody that had some type of association to this sport.

I'm not even from the town and I know about the impact that this program had. I know that wrestling HAS & CAN change lives for the better, which is why I am proud to see how far we have come from just a few years ago when I started as an Assistant Coach under Ryan Thierman (current Portville Wrestling Head Coach). This year we are expecting to have a roster of nearly 30 athletes, which speaks volumes to the fact that we only ended the season a few years ago with 8 guys. This season we now have 5 girls wrestling (Selena Hernandez, Hannah Deppa, Zoey Dewitt, Bailynn Dewitt, Elizabeth Price) in a Franklinville Panthers uniform and brought in 19 new JV/Varsity boys; leaving only 5 returning wrestlers (Tyson Zasimowick, Derek Ossont, Gunner Jochen, Brenden MacWilliams, Shea Smith).

Recruiting for this season was a community effort sprung on from last season's trip to the State Tournament, where Franklinville was represented for the first time in 16 years! We got the school buzzing again and we started seeing the High School Gymnasium filling back up at the conclusion of last year. Although this year will see a lot of new faces on the mat, I remain optimistic for what's coming in the next few years for some of these Individuals and the team as a whole. We are stocked up with tremendous athletes and leaders who realize how important this season is for our community and our school, if we want to continue to grow interest back into the wrestling program.

We kick our season off at the 1st Annual Rich Morton Salamanca Invitational Tournament on December 7th.

## INDOOR TRACK & FIELD

*Coach Herman*

The second year as Franklinville Panthers is very exciting! The indoor track and field team are just about to finish their first week of practices, using the weight room, core workouts, field event work, and separating the athletes into their respective running groups. The versatility among the team has really stood out, and I am looking forward to seeing the growth among this year's indoor track and field athletes. Here are our athletes:

Audree Green, 12th  
Abby Spencer, 12th  
James Goff, 11th  
Addisyn Killingbeck, 10th  
Peyton Blue, 10th  
Amelia Lopez, 10th  
Greg Fisher, 9th  
Genevieve Herman, 8th

We appreciate the opportunity to run at Houghton College and Buffalo State College. Good luck to all other sports teams.
